PRINCIPAL'S MESSAGE

Present semester begins with New Year -2017 celebrations with great hopes for future. It is cozy and comfortable period to save day time to translate dreams of social engineering into achievements. Social engineering is connecting the student-engineers to the society through social interaction and service as they are responsible in future for improving the quality and comfort of the society. The student –Engineer's society is within the college and beyond. It is going out of the four walls of the class room and taking part in college level activities exposes the world within the college. National level seminars, workshops etc will bring society to him. NSS activities like adopting a village, awareness programs to face future situations, help wictims during calamities and help re-establish make the student to heartily get involved in future activities and become a social engineer which is the need of the hour.

NIPUNYA TWO DAY TECHNICAL SEMINAR

Nipunya – A Two day Technical Seminar for Skill Building through hands on experience has begun at " Avanthi Institute of Engineering and Technology, Narsipatnam with pomp and ceremony.

Chief Guest Sri Ch. Ayyanna patrudu, Hon'ble Minister, panchayat Raj, Government of Andhra Pradesh addressed the students. He appreciated the services rendered by this college for the technical education of village and tribal students. When he demanded for jobs to locals, he said that shortage of technical skills become the hindrance. So, he said that all students must develop technical skills and equip themselves for suitable jobs. The seminars like this will certainly help develop skills, he commented.

He said that, N Chandra Babu Naidu, Chief Minster of AP has kept the state in front in the use of technology. All Departments are working efficiently with the help of technology. New methods of thinking is necessary for prosperity. For this purpose skill development corporations are started in the state.

All students should take help of these centers and be benefitted. He advised the students to participate in village development programs and adopt villages for development.

Sri M. SRINIVASA RAO, Membar of Parilliament and Chairman Avanthi Group of Colleges in his presidential address said that his aim of establishing this college was to bring village students on par with those of cities. He said seminars like this for skill development help students to understand latest trends. Students should depend on their own talents and should not expect prosperity through other means.

Dr. C P V N J Mohan Rao, Principal of the college welcomed the guests. He explained the important features of the two day seminar "NIPUNYA" and the activities, achievements and aspirations of the college in detail. Guest of honor prof. M. Mutyala Naidu, vice-chancellor ANU Rajahmundry addressed the students. He said that routine work brings routine results. New ways of doing things only bring great result. Hence the students must think new thoughts out of the box and develop skills for prosperity. He also said that vision is the greatest requirement. He advised the students not to use cell phones beyond necessity and save time for new thoughts.

Sri P K Bondriya General Manager N T P C Simhadri said that the country is prospering in many ways and the youth

should participate in it. He offered the services of his N T P C in providing hand on experiences to the students.

Special guest Sri S V Chalapathi Rao, CEO, Vishnu Vidyut said that in olden days steam energy was used. For extraordinarily increased necessity without pollution. Once the state was in acute shortage of electricity but now it become self sufficient and at surplus level.

In the afternoon session workshops are conducted for each department with special experts. Expert talk on new generation antennas for ECE, IOT and its applications for CSE, challenges in power sector for EEE, and role of Electrical engineer in industry for mechanical were conducted.

In the evening the students presented cultural programs with songs, dance and skits.

NEW YEAR'S DAY(2017) CELEBRATION

New Years day 2017 brought smiles and hopes on the faces of all – especially of the students. All the departments - CSE, ECE, MECH& EEE had celebrations in their own departments. The students welcomed New Year 2017 by cutting cakes and expressed their hopes on it. Dr. C. Mohan Rao Principal presided over the celebrations and blessed the students. The faculty and the HODs wished the best of the new-year to all the faculty and the students.

RIGHT TO VOTE: Awareness Campaign

An awareness campaign on right to vote was conducted in collaboration with State Revenue Department in the college on 17/2/2017 in a grand manner

Sri K.Surya Rao R D O Narsipatnam was the chief guest. In his message he asked the students to use the right to vote and elect good leaders. All Indian borns who attain 18 years are eligible for vote. Voting is a right. It is a fundamental right to vote and elect efficient leaders. Hence everyone who crosses 18 must apply for vote and vote during election to elect leaders who can provide good governance for better future of the people and the nation. He narrated the process of conducting elections at assembly and parliament. He asked the students to be self aware and create awareness among the villagers who are illiterate or semi educated.

Dr C.Mohan Rao, Principal of the college said that money, liquor are influencing the voting. Hence the youth should counter it. Registering for vote and voting for good governance oriented leaders without fear.

Ms Ramamani M R O, NSS officer Mr. Raja Sekhar, staff and students participated with enthusiasm.
