AVANTHI GRADUATION DAY 2016

Avanthy graduation day was celebrated with pomp and ceremony in the A.U assembly hall on 24th august 2016.

Minister for human resource development was the chief guest. About 800 students were graduated from Avanthy Engineering and Pharmaceutical colleges. 50 toppers of all branches were honoured with gold and silver medals by the chief guest Sri. Ganta Srinivasa Rao and other invitees. Sri M. Srinivasa Rao, M.P and chairman Avanthy Group of Colleges presided over it. APPSC Chairman P. Uday Bhaskar, Registrar of A.U, V. Uma Mahaeswara Rao and Principals of Avanthy colleges were on the dais. Prof. Bhaskar Rao urged the students to attain skills beyond a degree.

HRD minister Ganta Srinivasa Rao said that the chief minister was working hard to make A.P an educational hub with job orientation. It was time for the youth to be a part of it and make good use their lives in the service of the Nation

Sri M. Srinivasa Rao, Chairman congratulated the students for their hard work and positive attitude. He was happy that many of them got job offers during campus recruitment. He asked them to pay back to the nation for its contribution for their education and development.

FROM PRINCIPAL'S DESK

I am extremely happy to see the second issue of the college news letter is ready with a better get up and covering more aspects. Man is a bundle of memories. The celebrations throw light on the past glory of a nation and the college and thus inspire the spirit of acquiring the best from the leaders and develop leadership qualities in a natural way.

The progress of an institution is indicated through the participation of students and faculty in beyond-the-class room activities like guest lectures and workshops. Sports play a vital role in the life of students. It is a joy to find both of them given attention.

Perseverance is the path for progress. Perseverance is presently towards self growth as perfect professional engineers and later for the development of the society providing services for the comfort and growth of a happy society without scarcity for necessities. I wish all a happy progressive, positive and purposeful New Year 2017.

ACTIVITIES & ACHIEVEMENTS:

FRESHERS DAY ON 7-7-2016

Fresher's day was organized in the college for new entrants of B.Tech.

Prof. P. Srinivasa Rao of Andhra university was the chief guest. In his message he advised that every student should have a goal and march towards it. He further said that these four years of study is the foundation for 40 years of service and life, He asked them to improve technical knowledge and skills for further development in life.

Dr.C. Mohan Rao, Principal gave a detailed account of campus recruitments .Ms. M.Priyanka , Vice Chair Person of the college reminded the students that they should study not only for marks but also for knowledge.

WORLD POPULATION DAY

World population day was celebrated on 11/07/2016 in the college premises.

Dr.C.Mohan Rao, Principal presided over the meeting. Sri T.Srinivas HOD and Mr ParayyaNSS Program officer were on the dais.

Dr.C.Mohan Rao, said that the resources were limited and the population growth was enormous. So population control was a must. Controlled population gets hygienic food, shelter and good jobs.

Sri Srinivasarao gave the statistical details of the growth of the population and opined that the youth should be self aware and propagate population control. Students talked about the improved conditions of the life and increase in the longevity and decrease of death rate. NSS committed to the welfare of people and conducted such awareness programs

VANAM-MANAM

Vanam and Manam programme of tree plantation on the spirit of the state government was organized on 30th July 2016. Dr.C.Mohan Rao , Principal and the spirit behind the programme inaugurated the programme by planting a saplings and said that it is the responsibility of all to take care of the plants till they become self dependent.

About 1000 saplings were planted by the students, faculty and the office staff of the college.

INDEPENDENCE DAY CELEBRATIONS

Independence Day 2016 was celebrated in college campus with pomp and ceremony. Dr. M.V.R. Murthy hoisted the National flag followed by National Anthem and the patriotic salutes of all present over there. He explained the importance of the day and the sacrifices made by the leaders and the commoners equally.

MEO. Nookaraju, D.T.Prasad, HODs of different branches and A.O Mr.Daniel were present. Students pledged to be true to the sacrifices of the national leaders The students performed different activities and sang patriotic songs.

The programme ended with sweets distribution and vandemataram.

ENGINEERS' DAY 15TH SEPTEMBER 2016

Engineers day was celebrated by the students with much enthusiasm as it is their day

APEPDCL, Senior engineer M.Satyanarayana Murthy as the chief guest of the day said that we all should take the life and works mokshagundam visweswarayya as role model and put his aims and expectations into practice. He also said that knowledge is the capital for engineers. Sri.G V Rama Chandra Rao, Principal, Govt. Polytechnic College, Narsipatnam explained that the students should foresee their future at this stage and move accordingly.

Dr. C. Mohan Rao, Principal of the college said that the galaxy of the successes of Sri M.Visweswarayya cant be superceded by anybody. He further explained that the Sri Visweswarayya lived for 101 years and remained ideal. He solved very many problems of the society

Faculty, students and office staff of the college attended the programme.

INDUCTION MEET

Induction meet for the students of 1st year B.Tech was conducted on 30th September 2016. Dr. C. Mohan Rao, Principal chaired the meet. Prof. VSS Kumar, JNTU VC, Sri. Ch.Srikanth, IPS DIG of police graced the occasion. The speakers advised the students to pay attention not only to cheering but also skill development in technology and soft skills. They also asked the senior students to guide the new entrants. There is also a note of warning on ragging and expressed their happiness over “no incidents of ragging” tradition of the college since its establishment.

AWARENESS CAMPAIGN ON DENGUE BY NSS

Awareness campaign on Dengue fever was organized by the college NSS unit. Dr. C. Mohan Rao, Principal of the college explained the consequences of dengue fever. He said that it is better to take preventive steps rather than the curative.. As part of it keeping the surroundings clean and remove the stagnated water etc. should be taken up as precautionary measures.

Anakapalli Ayush organization provided homeo medicines for prevention of Dengue.

The programme was attended by the faculty, students and office staff and received precautionary medicines.
